

Director's Corner

Aloha LVA Ohana,

This message is to all returnees and those that are looking to join our club Ohana. LVA has been working diligently on all safety and sanitization procedures in anticipation for the 2020-2021 club year.

Due to Covid-19, there has been strict laws enforced on large group gatherings prohibiting all of us to practice and train. At this time, we come to offer an exciting workout package to all our returnees and interested players to complete prior to season kick off. The exercises and conditioning will be used during our testing and tryout dates for LVA. By completing this planned system, your daughter will be provided the optimal opportunity to be selected for our club.

Please contact me, "Kaulana Thibodeaux" at lvadirector09@gmail.com to grab your E-Package today. We appreciate all your understanding and continued support of Lanakila Volleyball Club.

Mahalo,
Kaulana Thibodeaux
LVA Director
